

West Seattle Transportation Coalition

Meeting Minutes

November 17, 2016

I. Welcome and Introductions

Michael Taylor-Judd called to order the regular meeting of the West Seattle Transportation Coalition (WSTC) at 6:35pm on November 17, 2016 at The Kenney, 7125 Fauntleroy Way SW.

Introductions of attendees:

WSTC Board - Michael Taylor-Judd, Mark Jacobs, Larry Wymer, Chas Redmond, Victoria Nelson, Martin Westerman, Jon Wright, Deb Barker

Guests – Margo Pollen, Jonathan Williams

Approval of minutes: The meeting minutes of October 27, 2016, 2016 were read, corrected, and approved with one abstention (Jon).

II. Community News

- Michael noted that there will not be a December regular (general membership) meeting; the WSTC Board will meet on Dec. 20 2016 at Martin Westerman's house.
- Deb announced a MoCA sponsored West Seattle wide MHA/HALA meeting on November 29, 2016 at the Highland Park Improvement Club and handed out a flyer.
- Martin said that the Endolyn Triangle work is finished, with some tweaks needed. He clarified that the 21 Point letter was related to the \$10,000, and that money funds the last two WS corridor studies to be completed. The SODO arena is on hold until mid/late 2017, and the Waterfront FEIS is out.
- Larry announced the opening of the Admiral Theater Piers 3 and 4, and said that the Admiral Neighborhood Assoc. will host a Renters Council at their next meeting.

III. Special Guests/Topics

a) SDOT Parking Overview - Jonathan Williams, Transit and Mobility Division, Margo Pollen, RPZ's

In their presentation, Jonathan and Margo covered SDOT's mission as well as details on parking management tools; RPZ's including background, pricing, functions and how to establish them; Community Access and

Parking Program (CAPP); West Seattle parking studies (most current is 2012 for the Triangle); and took questions. Margo noted that there is a \$10 low income parking permit that is not well advertised, and SDOT needs to get the word out about it. Also, SDOT is currently doing a policy review of the RPZ program with recommendations due in Dec. 2016.

The WSTC Board agreed that we should comment to SDOT about the need for a West Seattle Junction Intercept study. The last WS Junction parking study was 2010 when time limits were added to certain Junction blocks.

IV. New Business

- ST 3 Post analysis – It was suggested that WSTC needs to do outreach with Seattle Subway, Seattle Transit Blog, etc. We could get involved now with topics such as where we want tunnels, stations, an advance-bridge structure, etc. to be located.
- Communications – General discussion about how this needs to be improved. Martin suggested setting meeting agendas three weeks out for the quarter (Jan, Feb, March, April) with one week reminders. Jon suggested two e-mails per month: post meeting with recap of that meeting and pre-meeting with reminder. He agreed to send out e-mails, including to the West Seattle Blog. The meeting minutes need to be included. Outreach is also needed to neighborhood associations, including JUNO, both District Councils and the Chamber.
- Fauntleroy Blvd – A brief discussion ensued.
- Future Speakers - Larry asked for everyone to come with 2 to 3 ideas for speakers.
- Deb noted that The Kenney did not charge for the room use, but would welcome any donations to their foundation. \$20 was collected, and Deb will forward this to the Kenney Foundation.

V. Adjournment - Michael Taylor Judd adjourned the meeting at 8:15 pm.

Minutes submitted by: Deb Barker
